Hey Katherine:

The board decided not to do Fig Jam this year but still do Shop Small Saturday. They do not feel that we can pull off a great event on such short notice, especially since I have very limited time with the other events that I am planning,

We will try and get businesses along North Figueroa to put up signs and have specials that day.

Hi there,

I am waiting on a call from Bill at CD1 to hopefully iron out final details of what the council office will provide.

There have been a couple more vendors who want to join the fun along with a face painter for the kids.

I am hoping the North Fig board said yes to the event?

No rush - I know you are super busy as well. I just wanted to update you.

Also, there is a final chamber business mixer on Thursday evening at Artform Studios at 7 pm. Join us, if you can!

Thanks!

Katharine
